

## 2.3: Additional Quantitative Data Displays

### Relative Frequency Histogram

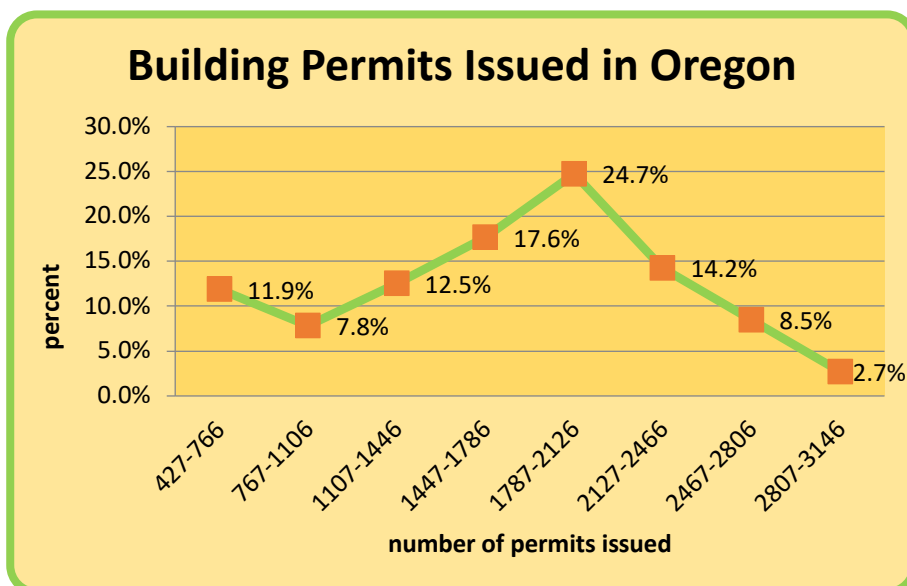

Consider this:

1. What percentage of the time were at least 2127 permits issued?
2. How often were the number of permits less than 1107?

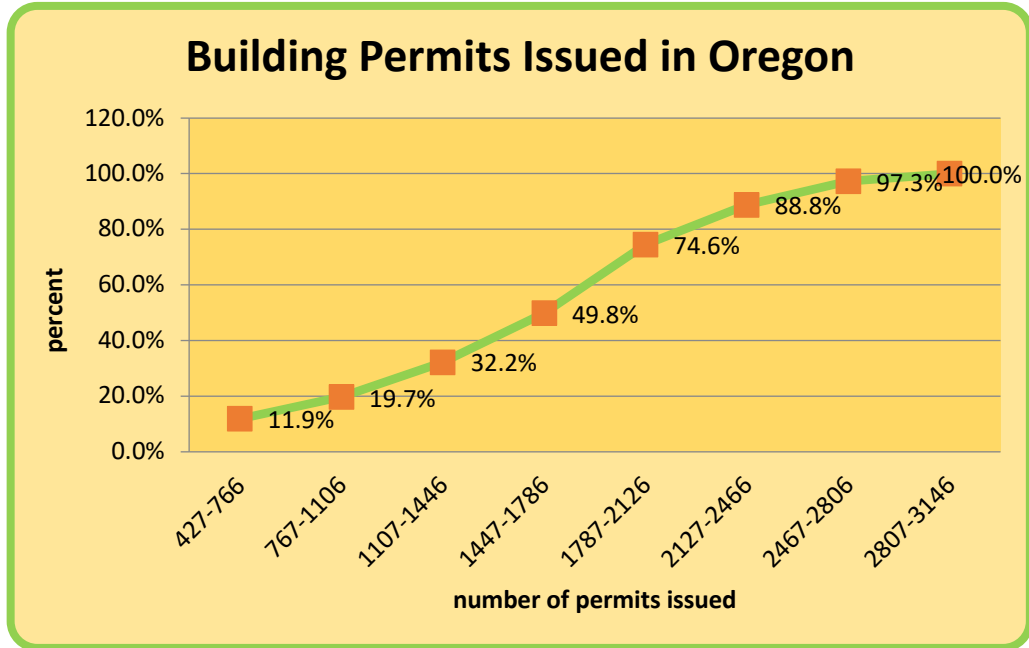

### Frequency Polygons

Just a point at the midpoint of the top of the bar

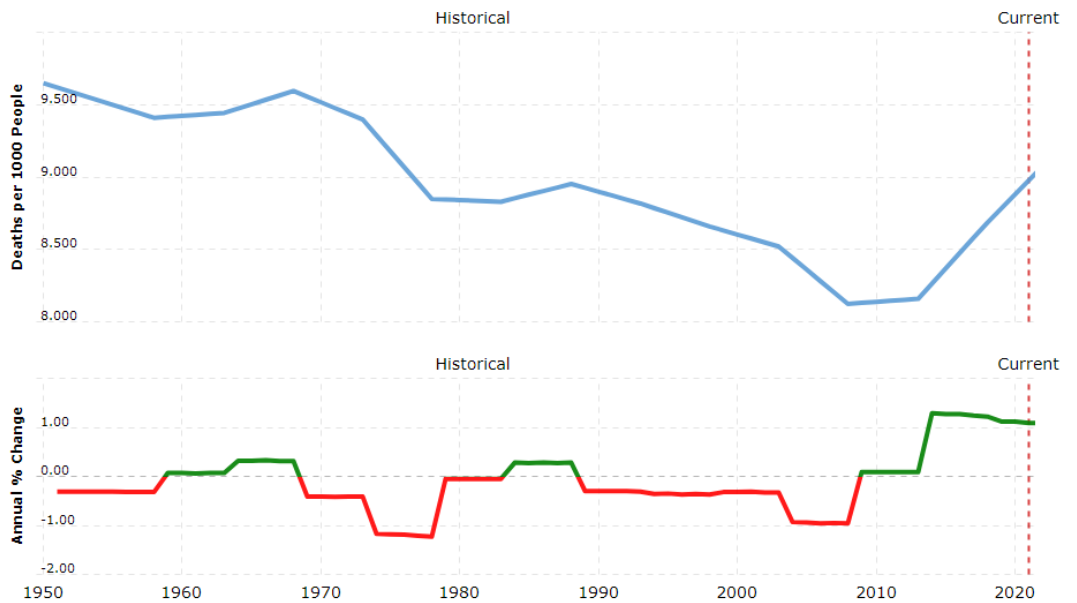

## Relative Frequency Ogive

Just a point at the top of the bar ... but each point is cumulative

## Time-Series Graphs

Death Rate in the US
